

Rebecca Jenkins – Real Estate Landing Page

A modern, high-converting landing page built for Rebecca Jenkins, a licensed real estate agent with TRU Agent Real Estate serving Monroe County, NY.

 **Live Site:** rebeccajenkinshomes.com

Features

- **Responsive Design** – Fully optimized for desktop, tablet, and mobile
- **Scroll Animations** – Smooth fade-in effects using Intersection Observer API
- **Glassmorphism Navigation** – Frosted glass-style sticky navbar
- **Lead Capture Forms** – Contact form and home valuation lead magnet
- **Dual Form Submission** – Formspree + Google Sheets integration for lead automation
- **Live Chat** – Tidio chatbot integration for real-time visitor engagement
- **Google Reviews** – Featured testimonials section with link to all reviews
- **SEO Optimized** – Sitemap, meta tags, and Google Search Console verified
- **Performance Optimized** – Compressed images, minimal dependencies

Tech Stack

- React (JSX)
- CSS3 (custom animations, glassmorphism, responsive breakpoints)
- Formspree (form handling)
- Google Sheets API (lead tracking)
- Tidio (live chat)
- Netlify (hosting & deployment)

Screenshot

Color Palette

Color	Hex	Usage
Navy	#0a1628	Primary background, text
Gold	#c9a84c	Accents, buttons, highlights
White	#ffffff	Backgrounds, text

Deployment

1. Clone the repository
2. Run `npm install`
3. Run `npm run build`
4. Deploy the `dist` folder to Netlify (or any static host)

Author

Built as a freelance project showcasing modern web design, lead generation strategy, and real estate marketing.
